

# ***IBM SPSS Amos Abbreviated Installation Instructions (Network License)***

The following instructions are for installing IBM® SPSS® Amos™ using a network license.

During installation, you will be prompted for the following information. Contact your site administrator if you do not have the following information.

**Name:**

**Organization:**

**License Manager Server Name or IP Address:**

## ***Installing IBM SPSS Amos***

Your administrator might have given you an installation disk or identified a network location from which to install. Check with your administrator if you do not know how you are supposed to install IBM® SPSS® Amos™.

*Note:* To install IBM SPSS Amos, you must be logged on to your computer with administrator privileges.

## ***Installing from the DVD***

### ***Windows XP***

- ▶ Insert the DVD into your DVD drive. The AutoPlay feature presents a menu.
- ▶ On the AutoPlay menu, click Install IBM SPSS Amos, and then follow the instructions that appear on the screen. See [Notes for Installation](#) for any special instructions.

### ***Windows Vista or Windows 7***

You must run the AutoPlay as administrator:

- ▶ Close the AutoPlay window that automatically appeared when you inserted the DVD into your DVD drive.
- ▶ Using Windows Explorer, browse to the DVD drive.
- ▶ Right-click *setup.exe* in the *Windows* subfolder and choose Run as Administrator.

- ▶ On the AutoPlay menu, click Install IBM SPSS Amos, and then follow the instructions that appear on the screen. See [Notes for Installation](#) for any special instructions.

### ***Installing from a Network Location***

- ▶ Using Windows Explorer, browse to the location that your administrator provided for the *setup.exe* file.
- ▶ If your computer is running Windows Vista or 7, right-click *setup.exe* and choose Run as Administrator. Otherwise, double-click the file.
- ▶ On the AutoPlay menu, click Install IBM SPSS Amos, and then follow the instructions that appear on the screen. See [Notes for Installation](#) for any special instructions.

### ***Installing from a Downloaded File***

#### ***Windows XP***

- ▶ Double-click the file that you downloaded, and then follow the instructions that appear on the screen. See [Notes for Installation](#) for any special instructions.

#### ***Windows Vista or Windows 7***

You must run the installer as administrator:

- ▶ Using Windows Explorer, browse to folder where you downloaded the file.
- ▶ Right-click the downloaded file and choose Run as Administrator.
- ▶ Follow the instructions that appear on the screen. See [Notes for Installation](#) for any special instructions.

### ***Notes for Installation***

This section contains special instructions for this installation.

**License type.** Be sure to select Network License.

**License manager server name or IP address.** This is the IP address or the name of the server on which the network license manager is running. If you have multiple addresses or names, separate them with a colon (for example, *server1:server2:server3*). Contact your administrator if you do not have this information.
